Licensed Practical Nurse-LTC Float Full Time Indeterminate

JOB SUMMARY:

The Licensed Practical Nurse is a member of the client care team, who uses the nursing process (assessment, planning, implementation and evaluation) within the framework of the standards of practice for LPNs and the policies and procedures of the Hay River Health and Social Services Authority, to facilitate clients receiving optimum care to allow them to achieve maximum independence, provide a secure, comfortable home-like environment and support the client in a peaceful death. The LPN acts as an advocate and facilitates communication between the client, family and other health care professionals to meet their physical, psychosocial, spiritual, cultural and educational needs.

JOB QUALIFICATIONS:

- Knowledge and ability to apply the nursing process and current nursing practices.
- Knowledge of trans-cultural nursing.
- The incumbent is required to have the medication delivery course and physical assessment course, if graduated prior to 1999.
- Ability to meet the challenge of varied client care.
- Knowledge of fire and disaster procedures.
- Good communication skills, both written and oral and ability to teach clients/residents.
- Ability to function as a team member.
- Initiative to seek advice and guidance from supervisors and other qualified staff.

The level of knowledge is acquired through a formal Licensed Practical Nurse program. Registered with the N.W.T., LPN Registrar Department of H&SS GNWT and basic CPR with annual Re-certification and WHMIS is mandatory. Back Injury Prevention Training, Handwashing, and Supportive Pathways education is required, when available. Other training recommended: Non-Violent Crisis Intervention, Internet and email applications
