

SPEECH LANGUAGE PATHOLOGIST

Full-time Indeterminate

JOB SUMMARY:

To provide diagnostic, intervention and referral services to communication and swallowing impaired clients of the Speech Language Pathology Unit in accordance with the Code of Ethics and Rules of Speech-Language & Audiology Canada (SAC) and the philosophy and objective of the Hay River Health & Social Services Authority (HRHSSA) to overcome and prevent communication problems/disorders in language, speech, voice and fluency, as well as swallowing impairments.

JOB QUALIFICATIONS:

- Knowledge of cognitive and functional development and impairment related to speech and language development including anatomy, physiology and pathology in a variety of age groups.
- Ability to apply therapeutic processes (assessment, planning, implementation and evaluation) to ensure that the patients' physical, emotional, psychosocial, educational and day-to-day living needs are met.
- Ability to educate patients, their families (where applicable), school staff and other health care professionals on appropriate self-development methods and techniques.
- Knowledge of biological, physical, behavioral and mental health sciences.
- Knowledge of and an ability to network resources within and outside the HRHSSA
- Ability to work with clients of all ages
- Skilled at communicating complex issues and concerns to a lay and multi-cultural audience
- Skilled in the use of time management techniques
- Ability to work with clients from a wide variety of cultural backgrounds
- Knowledge of a wide variety of assessment tools and intervention techniques and materials
- Group facilitation skills
- Class 5 Drivers License
- Computer literacy skills and the ability to use word processing and e-mail systems

Full job description can be found at www.hayriverhealth.ca under the 'Employment' tab.

This level of knowledge is typically acquired through the successful completion of a Master's Degree in Speech Language Pathology. Within the HRHSSA Speech Language Pathologists **must** be a certified member of Speech-Language & Audiology Canada (SAC) and have successfully completed a criminal record check.

Salary: \$44.75 to \$53.44 per hour (Range 16)
Status: Full Time Indeterminate
Closing Date: August 23, 2019
File Number: 060-19

In addition to an attractive salary, we offer a generous relocation package, and Northern Allowance of \$3.08 per hour up to \$5,999 per year. All job offers are subject to a satisfactory Criminal Records Check and an Employee Health Risk Assessment. Only those candidates selected for an interview will be contacted.
