

Home Care Registered Nurse Full-time Term to March 31, 2023

JOB SUMMARY:

The Home Care Nurse provides comprehensive, quality nursing care to clients of all ages and their families in the clients' home. The overall result expected is cost-effective client-centered nursing care focusing on restoring and maintaining the health of clients after acute illness, injury or surgery. Furthermore, the purpose of this position is to protect and restore health of clients after acute illness, injury or surgery; to monitor and maintain health of clients with chronic illness; to provide palliative care and to coordinate appropriate community based services for clients.

JOB QUALIFICATIONS:

- Knowledge of current nursing theory, home care practices and regulations, as well as trends in health promotion/disease prevention practice and programs.
- Knowledge of biological, physical and behavioral sciences in order to recognize, interpret and prioritize findings and determine and implement a plan of action based on accepted standards of practice.
- Ability to operate and/or use medical equipment and to provide training, advice and assessment.
- An ability to communicate effectively in (orally and in writing).
- Ability to be self-directed, meet deadlines, prioritize workloads and manage several tasks at once.
- Ability to perform basic and advanced nursing skills as well as additional tasks requiring sound judgment and creative problem solving skills, flexibility, ability to set priorities, and making decisions independently. In addition, good listening skills and non-judgmental attitude are vital.

The incumbent must have knowledge of the community, and its resources, and, the ability to work within a multi-disciplinary setting. This will enable the incumbent to make the most effective and efficient use of all resources needed by the client and to provide care that is culturally sensitive.

These skills, abilities and knowledge are commonly acquired through a Bachelor's Degree in Nursing from a recognized university, plus two years of acute care or community nursing experience is required. Active registration with the NWTRNA, current BCLS certification with annual certification is mandatory to fulfill legal requirements of the Nursing Profession Act and to maintain skill level. Must possess a current Class 5 driver's license in order to provide home visits to clients. A copy of the full Job Description can be found at www.hayriverhealth.ca under the 'Employment' tab.
