

Pharmacist Casual, No guarantee of hours

JOB SUMMARY:

The Staff Pharmacist maintains and monitors the procurement and distribution of medications within the facilities operated by the Hay River Health and Social Services Authority and provides clinical support and education on medications for health professionals and clients of the Hay River Health and Social Services Authority and its affiliated clinics. These duties are performed in accordance with the NWT Pharmacy Act and Bylaws, the Hay River Health and Social Services Authority Departmental Policies and The Canadian Society of Hospital Pharmacists Standards of Practice, to ensure safe, rational, cost effective and a timely supply of medications for the Hay River Health & Social Services Authority and their clients.

JOB QUALIFICATIONS:

- Hospital Pharmacy practice, pharmacology, and application of Pharmaceutical Care and Evidenced-based Therapeutic
- Pharmaceutical program knowledge
- Pharmaceutical industry knowledge
- Principles/procedures in research and evaluation
- Recommend performance measures, drafts standards and guidelines of the Health System's environment policy, organization and operation in Canada
- An ability to develop and implement operational policies and procedures related to the delivery of pharmaceutical services
- Good computer skills
- Practical knowledge of community-based primary care service delivery
- Excellent collaborative and consultative skills
- High proficiency in oral and written communication
- Knowledge and ability to educate staff, patients and their family on appropriate pharmaceutical care
- Strong analytical, problem solving and decision-making skills
- Excellent leadership with interpersonal skills
- Ability to manage multiple tasks
- The incumbent must be aware of the importance of confidentiality and be able to keep personal and medical information private and confidential at all times
- Pharmacy Examining Board of Canada Certificate is required
- Membership in good standing in a provincial pharmaceutical association
- NWT Pharmacist License
- Must be able to acquire within a reasonable time frame and remain current with the Non-Violent Crisis Intervention certification

These skills are normally acquired through a Baccalaureate Degree in Pharmacy, a one-year Hospital Pharmacy Residency Program from a recognized Canadian Institution and at least one experience in a hospital setting.

The Staff Pharmacist must have successfully obtained their Pharmacy Examining Board of Canada Certificate, hold a Pharmacy License from a Province of Canada and be eligible for registration under the NWT Pharmacy Act.

In addition, the incumbent must be willing to become a member of the Canadian Society of Hospital Pharmacists and must be in good standing to practice pharmacy in any other Canadian jurisdiction.
