

Administrative Assistant Full-Time Term to December 2022

Job Summary:

The Administrative Assistant provides secretarial, administrative, reception, and data entry support to various departments including: Medical Records, Diabetes, Rehab, Specialist Clinic, Telehealth, Dialysis, Ambulatory Care, Laboratory and Diagnostic Imaging Departments.

The incumbent is to provide clerical and administrative support in order to relieve management and professional staff of routine office and administrative tasks, and assist them to facilitate the delivery of comprehensive programs within the context of territorial and health board policies and practices. The incumbent is responsible for documenting and maintaining centralized client information for all clients requiring treatment within the clinics using technologies available. The incumbent is responsible for the direction of incoming and outgoing calls to ensure effective communication between external and internal customers and the scheduling of appointments.

The Administrative Assistant reports to Manager, Primary Care & Community Health. This position provides administrative support to the following service departments: two Medical Records staff, two Diabetes program facilitators, , to three Laboratory Technicians, three Diagnostic Imaging technicians, five Rehabilitation Therapists and one Rehabilitation Assistant and periodic casual staff. This position requires discretion, independent judgement and knowledge of secretarial, reception, and administrative support procedures.

The nature of this job is such that a number of phone lines may be ringing while clients are at the front desks requiring assistance at the same time. This position has to make decisions regarding booking clients correctly. Failure to perform this duty would result in delays in clients being seen and frustration experienced by the client. Due to the level of responsibility of this position and the number of clinics being managed this position is not left vacant for any length of time, due to the negative impact it would have on client care. This position acts as the central liaison for all activities pertaining to its service departments, and is responsible for the main hospital switchboard.
