

Rehabilitation Assistant Full Time Indeterminate

JOB SUMMARY:

The Rehabilitation Assistant (RA) assists the Occupational Therapist (OT) and Physiotherapist (PT) in ensuring that rehabilitation services are delivered in a **safe, effective, and efficient** manner. Rehabilitation services are provided to a population of approximately 6,000 people from the following communities: Hay River, Hay River Dene Reserve, Enterprise, Kakisa and Fort Resolution.

Reporting to the Manager, Primary Care & Community Health, the RA **provides support to clients of all ages**; working under the supervision of a registered/licensed OT or PT. While the OT/PT maintain responsibility for the overall services provided, the RA is responsible for providing care, as assigned by the rehabilitation professional. The RA is also involved in **communicating, coordinating, and planning** for the rehabilitation team. The RA **uses and monitors equipment and space to support service delivery** and they participate in **inventory control and supply management**. The RA provides all services within their scope and knowledge of practice. While services are provided under the supervision and responsibility of an OT/PT, the RA is accountable for their own individual performance.

KNOWLEDGE, SKILLS & ABILITIES:

- Knowledge of current Rehabilitation Standards of Practice
- Knowledge & experience with cross-cultural practices
- Good computer literacy, with ability to use various software programs
- Good organizational & prioritization skills
- Good communications skills, both verbally & written
- Ability to work cooperatively as a team member, as well as alone
- Ability to take direction and to seek help/advice when required
- Good flexibility, and able to multi-task when needed
- Able to demonstrate effective problem solving & judgment
- Physically able to lift & transfer clients and to perform all other job responsibilities
- Current CPR certification
- Valid Class 5 Driver's license

This level of knowledge is acquired through graduation from an accredited Canadian Rehabilitation Assistant program. Experience in a hospital/health centre is considered an asset.
