Introduction of Regular Prescription Renewal Clinics

Hay River Health and Social Services Authority (HRHSSA) is excited to introduce a regularly scheduled prescription renewal clinic for our clients. Depending on physician availability, HRHSSA will be holding walk-in prescription renewal clinics every Monday from 8:30am – 4:00pm through the Medical Clinic at the Hay River Regional Health Centre. A schedule will be shared with the public to advertise the Monday clinics available each month. The intention of these clinics is to improve access and consistency of health care for the residents of Hay River and surrounding area.

The first clinics will be held on Monday January 16th, 23rd, and 30th.

Prescription Renewal Clinic Q&A

Please schedule a Primary Care appointment by calling 867-874-8100.
- **What if I need a longer appointment to address my health issues?**
